Sir:

Okay to enter.

This is in response to the Office Action mailed September 4, 2002; a Notice of Appeal and Appeal Brief have already been filed. However, Applicant respectfully requests the Examiner review the enclosed claim amendments and comments. It is believed these claim amendments advance prosecution by placing the application in condition for allowance. Therefore, it is respectfully requested that, if the below amendments are entered, prosecution should be reopened and the present application allowed.

The following amendment and remarks are respectfully submitted.
